

Another Tutorial on running Internet Balint Groups Saturday 18th April 11 am EDT

Please forward to leaders in your Society

Unfortunately the previous tutorials for Balint leaders on how to run Balint groups remotely filled up very rapidly. Albert Lichtenstein, Lisa Buck and Done Nease are kindly running yet another one on Saturday April 18th at 11 a.m. Eastern Daylight time. By the nature of this event it again has to be limited to 25 people, so please register immediately to stand a chance of obtaining a place.

In order to register check the time in your location at 11 a.m. Eastern Daylight time. You may find this [website](#) helpful. Then go to the American Balint Society homepage [here](#). Click on the link to the tutorial to register. You will see instructions on downloading Zoom software and you will receive an email with a link to allow you to enter the tutorial.

Best wishes,

Paul
